

Heinz Micronutrient Campaign Partners

The Heinz Micronutrient Campaign relies on partners to implement micronutrient distribution programs.

Our partners are selected based on:

- Their understanding of the local cultures and customs
- Their strong track record of implementing public health and education programs and,
- Their ability to coordinate with government health and child welfare agencies to ensure the programs are operated in accordance with all local laws and regulations.

Current and past HMC partners include:

- China Center for Disease Control
- China Ministry of Health
- Church World Service (Indonesia)
- Heinz Nutrition Foundation of India
- Helen Keller International
- Hope for Haiti
- Hospital Albert Schweitzer (Haiti)
- Hua Qiao Foundation (Shanghai, China)
- Integrated Child Development Services (Maharashtra State, India)
- King Edward Memorial Hospital (Pune, Maharashtra, India)
- Lacroix Mission (Haiti)
- Love Without Borders
- Malteser International (Cambodia)
- Sokoine University of Agriculture (Tanzania)
- Sprinkles Global Health Initiative (The Sick Children Hospital, Canada)
- Michigan State University
- Tamil Nadu Ministry of Health (India)
